Confidentiality, Data Protection & Consent Statement to be completed by young person / parent / carer

Demelza Hospice Care for Children will process your information in accordance with the UK Data Privacy Regulations and other relevant regulations, and will always store your personal details securely. The Act sets out certain requirements for the protection of your personal information against unauthorised use or disclosure. Except to the extent we are required or permitted by law, the information which you provide in this referral form, and any other information obtained or provided during the course of your referral will be used solely for the purpose of assessing your referral. Demelza will use the contact information that you have provided, including email address and mobile phone number, to ensure that you receive up to date information about the services that we provide.

- If your referral is unsuccessful, or you choose not to accept any offer we make, the information you provide during the referral process will remain on a closed, electronic record as part of our clinical database. This will be to access information should a further referral to Demelza be made.
- You have the right to erasure under Data Privacy Regulations. To request deletion of personal information held by Demelza about you, or for people in your care, please contact careadministration@demelza.org.uk.
- If your application is successful, the information will form part of the clinical file and we will be entitled to process it for all purposes in connection with the services being provided, including family support and therapy services provided to parents, carers and siblings. The Act gives you certain rights. If you wish to access information held about you, or for people in your care, or to make amendments to your information please contact careadministration@demelza.org.uk.

Demelza regularly work with health and social care commissioners who can provide additional funding for services provided. We are sometimes asked to provide patient details in order to evidence the work that we do.

We always take the safety and wellbeing of children and vulnerable adults seriously. If a child or adult is suspected of being at risk of serious harm, all Demelza staff have a duty of care to share relevant information with key professionals for safeguarding purposes, such as a the child's named Social Worker, GP, etc. When a new referral is received, we will make proportionate enquiries around safeguarding and risk with involved social care professionals as part of our assessment process.

For full details see our Privacy Policy on our website (www.demelza.org.uk/privacy-policy) or contact 01795 845200 or email careadministration@demelza.org.uk.

I consent to the use of my personal information as set out in the terms above and give permission for Demelza to write to professionals involved in my child's/young person's care to request relevant information regarding this referral. Furthermore, I consent to Demelza staff holding copies of correspondence and sharing information with other professionals involved.

Name of child: **Date of Birth:**

Furthermore to ensure that we offer the best possible response, we may contact parents/carers/young people following the outcome of a referral. Please advise if you are happy to be contacted for feedback.

Yes No

I confirm that I have parental responsibility for the above child and agree to Demelza's terms and conditions as stated above.
