# Sponsorship money saving box

Make my money box to collect donations for your Bubble Rush. Just cut out the shape, and stick it together and you're ready to go!

## How to make your donations box:

- Ask an adult to help you with the printing out and cutting the shape.

1. Print out on a sheet of thin white card - set your printer to print landscape to get the largest template.
2. Then cut around the shape with scissors - or get help from an adult.
3. Cut-out the slot on top of the box for your money to go in.
4. Fold along all the dotted lines before you start to stick the box together.
5. Use glue or double-sided tape on all the marked tabs - follow the numbers on the tabs when assembling.
6. Assemble your box and start saving!!!

# Finn's ROCKY ROAD Bites

**These bubbly bites are delicious! Why not make a batch and give them to friends and family in exchange for a donation into your Finn's moneybox?**

**Finn**

**Adult supervision needed. Please take care in the kitchen! Where you see this symbol (!) you will need an adult to help you.**

## **YOU WILL NEED**

- 200g biscuits (I like digestives)
- 135g butter or margarine
- 200g chocolate (70% dark works best)
- 2-3 tbsp golden syrup
- 100g mini marshmallows
- Baking tin
- Baking paper
- Large mixing bowl
- Rolling pin
- Wooden Spoon
- Freezer bag or tea towel

### **Optional**

- 100g of other goodies such as dried fruit, popcorn, honeycomb pieces
- Icing sugar to dust

## **METHOD**

**Step 1:** Grease and line your baking tin with baking paper

**Step 2:** Crush your biscuits until they are broken up into a mixture of everything between dust and 50p size lumps. You can do this in a freezer bag or in a tea towel with a rolling pin. Set aside in a large mixing bowl.

**Step 3:** Melt your butter or margarine, chocolate and 2-3 tbsp golden syrup together gently. You can either do this in a pan or in a microwave. Leave aside to cool.

**Step 4:** Pour the chocolate mixture into the biscuits, add your marshmallows and combine. (At this point you can add 100g of other yummy ingredients if you are using them)

**Step 5:** Tip the mixture into your baking tin and spread it into your corners. Chill for at least 2 hrs, dust with icing sugar and cut into 12 finger bites.

And that's it! Your Bubble Bites are ready. Enjoy!
